

Third Location in Asia
Yasui Architects and Engineers Opened a Representative Office
in Ho Chi Minh City, Vietnam

Yasui Architects and Engineers, Inc. (Head Office: Chuo-ku, Osaka, President & Principal Architect: Yoshihiko Sano) has opened its representative office in Ho Chi Minh City, Vietnam. The new office started work from February 1, 2020.

1. Extending overseas business

To date, we have participated in projects in Thailand, Vietnam, China, Taiwan, Myanmar, Indonesia, India, and elsewhere, with the focus on Asia.

In 2014, we established Yasui Sekkei Vietnam, Ltd. as our local subsidiary in Hanoi, Vietnam, and opened our Taiwan Branch in Taipei in the same year. They functions as our organization and base of operations for Asia. We have now added the Ho Chi Minh Office as our third location in Asia. We will apply the body of knowledge and experience we built up in Japan as the foundation for delivering services of high efficiency and quality in growing Asian countries in future.

2. Ho Chi Minh Office opened

In Vietnam, we have already been expanding our operations in partnership with our Group company Yasui Sekkei Vietnam, and our Vietnamese partner Vietnam National Construction Consultants Corporation (VNCC). Opening our Ho Chi Minh Office will enable us to greatly strengthen our operational organization.
