**Campus Master Plan for National Aviation and Aerospace University  
in Bangladesh**

Yasui Architects & Engineers, VITTI Sthapati Brindo Ltd., and Dev Consultants Ltd.

---

Yasui Architects & Engineers, Inc. (Head Office: Chuo-ku, Osaka, President & Principal Architect: Yoshihiko Sano), VITTI Sthapati Brindo Ltd., and Dev Consultants Ltd. have inked a contract with Bangabandhu Sheikh Mujibur Rahman Aviation and Aerospace University (BSMRAAU), a national university in Bangladesh, to provide consulting services for the master plan of its Lalmonirhat campus.

The project of campus master plan is scheduled to be completed by the end of 2022, with the aim of becoming a facility suitable for an educational hub of nation's aviation and aerospace studies providing world-class education.

Established in 2019, BSMRAAU is Bangladesh's public university and the country's first international educational institution on aerospace engineering.

The Lalmonirhat campus will offer educational programs on space system engineering, satellite communication engineering, and autonomous system design.
